

Limited-Edition Fine Art Canvas Prints

Thank you for your interest in my work. I personally select and print on the finest museum-quality papers and materials to ensure that you get the best possible artwork that will last for generations.

Photographs printed on canvas are available gallery wrapped around 1.5-inch thick stretcher bars or framed in select presentations. Each canvas piece is also coated with a UV-inhibitive print varnish to protect against environmental hazards and allow glass-free presentation. Available presentations for canvas prints are shown on my website: www.northshoreimages.com.

All photographs on canvas are hand-signed and numbered and sold in limited editions of no more than 250.
